Dr. Steven Schlozman
**“Understanding and Reducing
Stigma in Mental Health”**

Wednesday, May 2, 2018

7:00-8:30pm

**Arlington Youth Counseling Center
670R Massachusetts Avenue**

- Why does mental health stigma persist?
- How does the current system of care contribute to this stigma?
- How can parents advocate for their child, for themselves, and for their communities to diminish mental health stigma?
- What are some of the most unexpected findings in the study of stigma and mental health?

About the Speaker: Steven Schlozman, M.D., is the associate director for Young Healthy Minds and a staff child psychiatrist at MGH. He is also an Assistant Professor of Psychiatry at Harvard Medical School. He works with children, adolescents, and adults.
